

Be Alright
Dean Lewis

Lip-sync the words in italics.

I look up from the ground
To see your sad and teary eyes.
You look away from me,
And I see there's something you're trying to hide.
And I...reach for your hand, but it's cold.
You pull away again,
And I wonder...what's on your mind.
And then you say to me you made a dumb mistake.
You start to tremble, and your voice begins to break.
You say the cigarettes on the counter weren't your friend's—
They were my mate's.
And I feel the color draining from my face.

*And my friend said, "I know you love her, but it's over, mate.
It doesn't matter, put the phone away.
It's never easy to walk away, let her go.
It'll be alright."*

So I still look back at all the messages you'd sent,
And I know it wasn't right, but it was messing with my...head.
And everything deleted like the past, it was gone.
And when I touched your face, I could tell you're moving on.
But it's not the fact that you kissed him yesterday—
It's the feeling of betrayal that I just can't seem to shake.
And everything I know tells me that I should walk away,
But I just...want to stay.

*And my friend said, "I know you love her, but it's over, mate.
It doesn't matter, put the phone away.
It's never easy to walk away, let her go.
It'll be okay.
It's gonna hurt for a bit of time.
So bottoms up, let's forget tonight.
You'll find another, and you'll be just fine.
Let her go."*

But nothing heals the past like time,
And they can't steal
The love you're born to find.
But nothing heals the past like time,
And they can't steal
The love you're born to find.

*"I know you love her, but it's over, mate.
It doesn't matter, put the phone away.
It's never easy to walk away, let her go.
It'll be okay.
It's gonna hurt for a bit of time.
So bottoms up, let's forget tonight.
You'll find another, and you'll be just fine
Let her go.
It'll be alright.
It'll be alright.
It'll be alright.
It'll be alright.
It'll be alright."*
