**“Don’t Shut Me Down”
by ABBA
Words That Rhyme**

A while ago, I heard the sound of children's laughter.

Now it's quiet, so I guess they left the _____.

This wooden bench is getting harder by the hour.

The sun is going down, it's getting _____.

I realize I'm cold.

The rain begins to _____.

As I watch the windows on the second _____.

The lights are on, it's time to _____.

It's time at last to let him _____.

I believe it would be fair to _____.

You look bewildered.

And you wonder why I'm here _____,

And so you _____ — I _____.

When I left, I felt I'd had enough.

But in the shape and form I appear now

I have learned to _____,

And love and _____ is why I am here now.

(Chorus)

And now you see another me—I've been _____.

I'm fired up, don't shut me down.

I'm like a dream within a dream that's been _____.

I'm fired up, I'm hot, don't shut me down.

I'm not the one you knew.

I'm now and then _____,

And I'm asking you to have an open _____.

I'm not the same this time _____.

I'm fired up, don't shut me _____.

Will you leave me standing in the _____

Or let me enter?

The apartment hasn't changed at _____.

I've got to say I'm glad.

Once these rooms were witness to our love,

My tantrums, and increasing frustration.

But I go from _____

To not so _____ in my transformation.

(Chorus)

And now you see another me...

You asked me not to leave.

Well, here I am _____.

And I love you still, and so I won't _____.

I have learned to cope,

And love and hope is why I am here now.
