Here's to¹ the ones that we got²
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

1. There's a time that I remember, when I did not know no pain
When I believed in forever, and everything would stay the same

2. Now my heart feel like December when somebody say your name
'Cause I can't reach out to call you, but I know I will one day

Everybody hurts sometimes
Everybody hurts someday

3. But everything gonna³ be alright⁴
Go and raise a glass and say

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

¹ People say “Here's to” when they hold up their drinks to honor someone or something. For example, friends could hold up their drinks and say, “Here's to good friends.”

² Correct English is “Here's to the ones that we've got,” but in informal spoken English, people sometimes drop the ‘ve. So this line is OK.

³ *Going to* is often pronounced *gonna* in informal spoken English. So *gonna* is OK. But there is another mistake in this line.

⁴ *All right* is the correct spelling, but *alright* is often used in informal writing. So this spelling is OK. (And the spelling *alright* is becoming more common.) But there is another mistake in this line.

Doo doo, doo doo, doo doo...
Memories bring back, memories bring back you

There's a time that I remember when I never felt so lost
When I felt all of the hatred was too powerful to stop

4. Now my heart feel like an ember and it's lighting up the dark
I'll carry these torches for you that you know I'll never drop

Everybody hurts sometimes
Everybody hurts someday

5. But everything gonna be alright
Go and raise a glass and say

Here's to the ones that we got
Cheers to the wish you were here, but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back, memories bring back you

Doo doo, doo doo, doo doo...
Memories bring back, memories bring back you
Doo doo, doo doo doo...
Memories bring back, memories bring back you
Memories bring back, memories bring back you
