

In the song “Lean on Me,” Bill Withers wrote, “No one can fill... needs that you won’t let show.”

**A. What do you need? Make a list. Here is what one student wrote.**

*a map of the bus routes  
a photo for my student ID  
ideas for an inexpensive weekend trip  
a new phone*

**Now write your list.**

**B. Read your list in a small group. Listen carefully when your classmates read their lists. If you have information that might help your classmates, share it.**
